

PRESCHOOL PROGRAMS

TWO UNIQUE SITES • ONE COMMON GOAL • CREATE A LEARNER FOR LIFE!

WELCOME TO OUR PRESCHOOL COMMUNITY

Bolingbrook Park District offers enriching preschool programs for children ages 2½ to 5.

Our philosophy is simple: learning through play should be joyful. Through a warm, engaging environment and a curriculum grounded in the Illinois Early Learning standards, we help children develop the confidence, curiosity and skills they need for lifelong learning.

Our teachers nurture each child's growth through hands-on exploration, creative expression and supportive social interaction. We also collaborate with local school districts to ensure our students are well-prepared for kindergarten and beyond.

PROGRAM OFFERINGS

SOON2B3 PROGRAM

Ages 2 ½–3 years

A gentle introduction to the preschool experience

This program helps children feel secure and confident as they separate from grown-ups and begin learning within a group setting. Through playful, developmentally appropriate activities, children build:

- Social interaction skills
- Large and small motor skills
- Early academic awareness

Diapers and pull-ups are acceptable at the start; children should be progressing toward independent toileting. September hours are shortened to promote a smooth transition for those new to a preschool setting. Class runs from 9:35–11:05 am for September only.

Meets 2 days per week

3 YEAR OLD PROGRAM

Growing independence and early learning readiness

This program supports social and emotional development while introducing foundational academic skills. Children explore:

- Letters, numbers, shapes and colors
- Early writing skills
- Cooperative play and classroom routines

Meets 2 or 3 days per week

4 YEAR OLD PROGRAM

Preparing for kindergarten with confidence

This program encourages children to build independence, develop responsibility and strengthen relationships with peers and teachers. The curriculum supports:

- Pre-literacy and math readiness
- Science exploration
- Creative art and imaginative play
- Fine motor development

Meets 2, 3 or 4 days per week

Families seeking extended learning may choose the 4-day option.

This provides deeper exploration of:

- Math, literacy and science concepts
- Self-expression
- Multi-step classroom projects

A PLACE TO LEARN, GROW & THRIVE

At the Bolingbrook Park District, we believe every child deserves a strong educational foundation built on curiosity, creativity and confidence. Our preschool programs are designed to nurture the whole child—academically, socially, emotionally and physically.
