

PRESCHOOL PROGRAMS

TWO UNIQUE SITES... ONE COMMON GOAL... CREATE A LEARNER FOR LIFE

Bolingbrook Park District preschool programs, offered for children ages 2 ½ to 5 years of age, believes in "Learning through Play." Play is the most important aspect of a child's life. It is their work; where they learn to interact, share and cooperate. Through play, a child is not only building a strong foundation for intellectual development but is also learning how to deal with emotions, decision making and problem solving. Carefully supervised free play is vital and is designed to be safe and appropriate for the age group. Preschool curriculum concepts for the school year include the following areas; pre-writing/writing, interest, math/science, early literacy, gross motor, music and art creation. The teacher's role is vital throughout the day as a co-discoverer (not merely dispenser) of knowledge and facilitator (not merely manager) of play. Preschoolers in these programs are preparing for success in future learning.

Preschool Programs

SOON 2B3 PROGRAM

Children 2 ½–3 years old have their first positive experiences in a preschool classroom and become comfortable separating from parents for a regular period of time. Development of social skills, large and small motor skills, and basic curriculum concepts are a part of your child's day. Diapers and pull-ups are acceptable to begin with, but children should be on their way to taking care of their own toileting needs. This class runs 2 days per week.

3 YEAR OLD PROGRAM

This program nurtures a 3 year old's social and emotional growth and provides a curriculum focusing on letters, numbers, shapes and colors and the beginning stages of writing. This class runs 2 or 3 days per week.

4 YEAR OLD PROGRAM

In this program, 4 year olds strengthen relationships with friends and teachers and begin to understand responsibility as they become more self-sufficient. The curriculum focuses on emerging literacy, math, science, creative art and fine motor skills to prepare children for Kindergarten. This class runs 2, 3 or 4 days per week.
