Buildings, Grounds, and Natural Resources Operations

General

- Staff are in transition mode right now! We are transitioning from winter to spring; this includes everything from equipment/vehicles to getting parks ready for spring weather.
- With the warmer weather the staff in Parks & NRHT have been able to get a head start on spring items and finishing up winter projects.
- The NRHT & Parks crews have a few positions opening and staff moving around in departments. Jarrod Wolf has moved from an NR Groundswoker to be promoted to the Parks Playground Crew Leader. Dan & Steve are in the process of doing interviews to hire new staff for groundswokers.

Buildings

- With the pleasant weather moving forward and a lot of activity at Boughton Ridge Golf Course, it's been decided to open the course bathrooms earlier than normal. This should be completed by March 22.
- New counter tops, sinks and faucets have been purchased and installed that were budgeted to be completed before opening 2024 Pelican Harbor season. This will add to the aesthetics of the bathhouse look. Last year we had the walls repainted and the floors redone. So, it will look even better for opening day this year.
- Staff will be starting to work on spring items, opening concession stand bathrooms, turning irrigation systems back on, and getting outdoor buildings ready for spring use.

Parks/Athletics

- Staff is working on installing all of the soccer nets at the sandlot fields.
- Staff finished up fixing all of the fence fabric and straps along baseball/softball fields, as well as the sandlot backstops.
- With the season right around the corner, the athletics crew has been busy cleaning up leaves/other debris around the fields, along with dragging the fields when the weather allows.
- Staff has rolled the soccer fields and the next step is going to be aerating the fields to reduce compaction.
- In the next few weeks staff will be starting to do work on the two soccer fields that are being closed for the 2024 season at Lily Cache Soccer Fields. We saw great results from the fields that we closed in 2023 and hope for the same results in 2024 and moving forward.

BOUGHTON RIDGE GOLF COURSE & ASHBURYS

Amended Golf Cart Lease

- In 2023, the Board approved an order for new golf carts on a three-year lease. This order was issued in 2023 for 2024 replacement because golf carts were significantly backordered. While waiting for new golf carts, we are renting the units on our recently expired lease and will be able to do that until we receive the new carts, hopefully in July. However, there has been a price increase on the three-year lease term that makes the four year lease term more financially attractive. Overall, this amendment to move to a four year lease will garner a savings of \$470.86 per month over the life of the lease.

Staff Recommendation: Approve Resolution 24-13 approving the amended Golf Cart Fleet Lease Proposal with Harris Golf Cars for 24 golf carts in the amount of \$4,411.77 per month for four years.

Buildings, Grounds, and Natural Resources Operations

General

- Staff are in transition mode right now! We are transitioning from winter to spring; this includes everything from equipment/vehicles to getting parks ready for spring weather.
- With the warmer weather the staff in Parks & NRHT have been able to get a head start on spring items and finishing up winter projects.
- The NRHT & Parks crews have a few positions opening and staff moving around in departments. Jarrod Wolf has moved from an NR Groundswoker to be promoted to the Parks Playground Crew Leader. Dan & Steve are in the process of doing interviews to hire new staff for groundswokers.

Buildings

- With the pleasant weather moving forward and a lot of activity at Boughton Ridge Golf Course, it's been decided to open the course bathrooms earlier than normal. This should be completed by March 22.
- New counter tops, sinks and faucets have been purchased and installed that were budgeted to be completed before opening 2024 Pelican Harbor season. This will add to the aesthetics of the bathhouse look. Last year we had the walls repainted and the floors redone. So, it will look even better for opening day this year.
- Staff will be starting to work on spring items, opening concession stand bathrooms, turning irrigation systems back on, and getting outdoor buildings ready for spring use.

Parks/Athletics

- Staff continue with sanding and painting Park ID signs.
- With the warmer weather here earlier than normal there has been more residents out in the parks and the staff has been out ensuring that everything is safe for use on the playgrounds and surrounding areas.
- Staff will be adding more garbage cans to the parks and athletic areas as the weather is getting nicer and more patrons are out in the parks.
- Staff is working on installing all of the soccer nets at the sandlot fields.
- Staff finished up fixing all of the fence fabric and straps along baseball/softball fields, as well as the sandlot backstops.
- With the season right around the corner, the athletics crew has been busy cleaning up leaves/other debris around the fields, along with dragging the fields when the weather allows.
- Staff has rolled the soccer fields and the next step is going to be aerating the fields to reduce compaction.
- In the next few weeks staff will be starting to do work on the two soccer fields that are being closed for the 2024 season at Lily Cache Soccer Fields. We saw great results from the fields that we closed in 2023 and hope for the same results in 2024 and moving forward.

Natural Resources Horticulture & Turf

- The NRHT staff have completed winter projects and are starting to get parks ready for the spring. All crews are also assisting in getting facility landscaping and athletic fields ready for the spring and summer.
- The turf crew is aerating parks and beginning turf repair in all parks.
- The natural resources crew is working on grinding stumps, prescribed fires, and over seeding natural areas before natural areas start to green up.
- The horticulture crew has begun edging and mulching beds and tree rings on the west side of town.

Project Updates

- Annerino Community Center roof replacement project is nearly completed. Staff need to perform punch list, roof inspection by Firestone for warranty and inspection by Village of Bolingbrook.

- Sandblasting on the Outdoor PH Leisure pool is complete. Next step is to remove existing caulked expansion joints, re-seal these joints and paint the pool. Project should be complete well in advance of pool opening.

BOUGHTON RIDGE GOLF COURSE & ASHBURYS

Amended Golf Cart Lease

- In 2023, the Board approved an order for new golf carts on a three-year lease. This order was issued in 2023 for 2024 replacement because golf carts were significantly backordered. While waiting for new golf carts, we are renting the units on our recently expired lease and will be able to do that until we receive the new carts, hopefully in July. However, there has been a price increase on the three-year lease term that makes the four year lease term more financially attractive. Overall, this amendment to move to a four year lease will garner a savings of \$470.86 per month over the life of the lease.

Staff Recommendation: Approve Resolution 24-13 approving the amended Golf Cart Fleet Lease Proposal with Harris Golf Cars for 24 golf carts in the amount of \$4,411.77 per month for four years.

APPENDIX B

Bolingbrook Park District Field Use Policy

The Bolingbrook Park District is committed to providing high quality, safe, playing surfaces for our multi-use athletic facilities, but we need the help, commitment and consideration of all user groups in protecting the turf from excessive damage due to game and practice activities. The turf grass is the safety surface for the athletic fields. If any of the following conditions occur, the scheduled games and practices will be cancelled or postponed:

1. Standing water on the field of play
2. Soil Saturation
 - Walking on turf causes water to surface.
 - Walking on turf and heels causes indentations.
 - One inch or more of rain 48 hours prior to scheduled game or practice accompanied by steady rain on game or practice day.
 - Steady downpour of rain on game or practice day, which could cause damage to turf or injury to participants.
3. Extreme drought conditions where 50% of the playing surface is dormant.
4. Early spring conditions where 50% of the playing surface is dormant.
5. Audible thunder or visible lightening.
6. Darkness.

All coaches, referees, and umpires are responsible for insuring the safety of field playing conditions at all times during scheduled play. Safety implies protection of the resource, as well as the participants. In addition to the above requirements, cancellations or suspensions of game play and practices should be enforced when:

- Player's footing becomes unstable, slipping 6" or greater
- Holes 4" in diameter of 2" depth or larger in field of play
- Surface rocks 3" or greater exposed on playing field
- Standing water in an area 3' or greater
- Soccer/football standards not securely anchored

Thank you for your support and have an enjoyable, fun and safe season!
