50/50

Mix it up! The first half hour you will be in the Lazy River running with and against the current. The second half of the class you will tread water and get a total core work out in the Deep Well. Flotation devices and resistance equipment will be used. This is an advanced class, must be comfortable with deep water/deep well!

AQUA CARDIO SPLASH

45 minutes of no-rest-allowed cardio. Get ready to sweat!

AQUA CIRCUIT

This workout keeps you moving and gives you a total body workout. You will rotate through 4-5 high intensity circuit exercises that build muscle and keep your heart rate elevated for optimal.

AQUA FIT

A fun, total body workout using a variety of pool equipment.

AQUA MOTION

Water exercises using a variety of equipment to improve cardio, strength and flexibility

AQUA POWER

Toning for upper and lower body.

AQUA POWER STRETCH

50/50 mix of toning with aqua weights coupled with stretching to keeps joints flexible.

AQUA TABATA/HIIT

Cardio workout using tabata themed interval training of 30 sec followed by 10 sec rest. High intensity interval training.

BARRE ABOVE

Use strengthening exercises trusted by dancers. Barre Above is a results-driven workout that is not only fun and dynamic, but will sculpt your body and get you into amazing shape. You'll see improvements in your posture, flexibility, overall body strength and balance. No dance experience needed!

CARDIO KICKBOXING

A high energy class that uses punches, kicks and body weight exercises set to the hottest new music. You'll incorporate real kickboxing moves along with high intensity drills to burn maximum calories. It is the ultimate kickboxing party! Options for all levels available.

CYCLING

Endurance and strength rides combine for a vigorous workout burning calories and keeping your muscles toned. Whether you are training for a triathlon or riding for cardiovascular health, this class is sure to get you there.

EVENING RIVER WORKOUT

As the sun begins to set, join us for 60 minutes of cardio and strength training exercises in the lazy river.

FLEXFIT

This class will leave you feeling refreshed and ready to take on your next workout. You will be guided through foam rolling and stretching techniques to relax your muscles, increase range or motion and flexibility as well as ease tension, aches and pains.

HIIT CYCLING

This vigorous cycling class involves, short high intensity periods, followed by lower intensity recovery periods to help burn optimal calories. Whether you are training for a triathlon or riding for cardiovascular health, this class is sure to get you there.

LAND & SEA

Combo workouts on the deck and in the water to work both cardio and strength.

L1FT

L1FT delivers true strength development in a classic group fitness setting. Taking the learnings and principles from the weights room and other strength brands, L1FT is a strength development format that delivers real results using standard studio equipment.

LES MILLS BODY ATTACK

Les Mills BODY ATTACK is a high-energy fitness class with moves that center for total beginners to total addicts. We combine athletic movements like running, lunging and jumping with strength exercise such as push-ups and squats.

LES MILLS BODY PUMP

The original barbell class that strengthens your entire body. This Les Mills workout challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts and curls.

LES MILLS GRIT

30-minute high-intensity interval training (HIIT) workout, designed to improve strength, cardiovascular fitness and build lean muscle. This workout uses barbell, weight plate and bodyweight exercises to blast all major muscle groups.

METCONRX

MetConRx stands for science driven Metabolic Conditioning. This is a full body interval class that works all planes, different energy systems and multiple muscle groups. The combination of functional strength training and cardio conditioning is an efficient way to build muscle, burn fat and torch calories. It's a fast moving, fun and results driven class that's easily accessible to all levels.

PIYO

Push your limits of agility, balance and strength with this pilates and yoga combo.

RIVER CIRCUIT

This class is a combination of River Runner and moving into the slide catch pool where you will rotate through four high intensity circuits or exercise moves. This class will keep you moving and give you a total body.

RIVER RUNNER

A cool way to beat the heat! This low-impact, high intensity, running class takes place in the Lazy River. It focuses on cardio and strength training, both with and against the current. Resistance equipment will be used and this class is for experienced aqua exercise participants.

RIVER WARRIORS

This class utilizes the current of the lazy river to challenge your core and build endurance.

SENIOR DANCE

An easy-to-follow class that lets you move to the beat at your own speed. It's an invigorating, community-oriented dance fitness class that feels fresh, and, most of all, exhilarating. Level 1.

SH1FT M1X

Smart, high intensity training for all fitness levels. This class will change each week using a mix of bodyweight, dumbbells, barbell and aerobic step. You'll use simple progressions that are smart, safe and progressive to ensure that no fitness level is left behind.

SS STRENGTH & STABILITY

Standing upper-body strength work and lower body strength coupled

with low-impact cardio using a chair for support designed to improve risk of falls.

SS CLASSIC

Designed around the mature adult to increase strength, range of motion, agility, balance and coordination, and to improve participants functional capacities, physical fitness level and sense of well-being.

SS X-PRESS

A condensed 30-minute virtual edition of our traditional SS class.

SS YOGA

This classe offers a complete series of seated and standing yoga poses. Chair support is offered so you can perform a variety of seated and standing postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

SUNRISE FLEX AND FLOW

A combination of Pilates and Stretching to calm and soothing music.

TAI CHI

Often called "moving meditation" the slow and gentle practice of Tai Chi forms relaxes, strengthens and energizes the body. Tai Chi can improve balance, strengthen bones, muscles, joints and reduce stress. Suitable for all exercise ability.

TREAD & SHRED

Combining cardio with strength training on a treadmill and the floor in a fun and challenging workout that targets the entire body.

VINYASA YOGA

Vinyasa yoga is a creative form of yoga where poses are linked together with the breath in a flowing sequence.

YOGA

A multi-level style yoga class that focuses on relaxing and restoring the mind through poses and movement. This class is taught by certified yoga instructors.

WALK, STRETCH, AND TONE

In this combination workout, you will increase your energy, improve your range of motion, flexibility and balance. Barbells, resistant bands and the natural resistance of walking in the water will help you to tone and destress your body.

WALK THE RIVER

A cool way to beat the heat! Class consists of low-impact walking in the Lazy River, with and against the current. Main focus is on less- intense cardio and strength training with resistance equipment. This class is for beginners.

WEIGHTLESS AQUA

This class will take place in the diving well with floatation belts to allow a great full body workout without any impact on the knees, hips or ankles. Barbells and noodles will also be used to strengthen and tone arms, legs, your core and much more.

ZUMBA

It's a Latin dance fitness party! Zumba combines fast & slow rhythms to tone and sculpt your body while burning fat. Fun & easy to do. All levels.

ZUMBA TONING

The challenge of adding resistance by using Zumba® Toning Sticks (or light weights), helps you focus on specific muscle groups, so you (and your muscles) stay engaged!
