

Indoor Swim Lessons

FAQ

Will the instructors wear masks in the water?

In Phase 5 the guidelines state that fully vaccinated individuals do not need to wear a mask. Those who are not vaccinated will be wearing a mask and face shield.

Do participants need to wear a mask during swim lessons?

Fully vaccinated participants do not need to wear a mask upon entering and exiting the building or during swim lessons. Those who are not vaccinated, need to wear a mask upon entering, on the pool deck and exiting the facility.

How many people can accompany the child to lessons?

When possible, please limit the number of people who accompany your child to lessons to 1 adult and only children who are taking lessons. This will help parents maintain appropriate social distancing. Younger siblings will need to stay with their guardian and remain socially distanced.

Are face coverings required?

Fully vaccinated participants do not need to wear a mask in the facility. Those who are not vaccinated, need to wear a mask upon entering, on the pool deck and exiting the facility. Face coverings are not recommended for persons while swimming or other activities where their face is submerged or immersed by water. Participants may remove their masks during their swim lesson.

Will the indoor & outdoor locker rooms be available?

The newly renovated Indoor aquatic locker rooms and family changing rooms will be available. In addition, the outdoor locker rooms will be available for outdoor Swim Lesson participants. We do encourage guests to come dressed and ready to swim and keep locker room use to a minimum at this time.

How can I sign up for swim lessons?

Lessons must be pre-registered online at bolingbrookparks.org or at one of our community centers.

Will my child be grouped with participants from a different household?

Yes, for group Swim Lessons your child will be grouped with other swimmers of similar ability. In addition, our babies classes will have a maximum of 7 babies and a parent/ guardian for each.

How are you keeping the facility clean?

Locker rooms, common areas and equipment will be sanitized after each lesson. Our staff use personal protective equipment when cleaning. Hand sanitizer will be provided at pool deck entry points, exit points and multiple places throughout the facility. Please use the hand sanitizer upon entering and leaving the facility.

What is the check-in procedure?

- All lessons will enter through Door 15. Participants will be routed to the correct indoor or outdoor location to meet a Lesson Coordinator and enjoy their lessons. Please observe social distancing in the event of a line.
- The indoor and outdoor locker rooms are available for changing during Swim Lessons. We ask that swimmers come ready and dressed in their swim suits.

This is my first swim lesson, how do I know what level my child is in?

We will have instructors ready to evaluate participants on the first day. The Swim Coordinator will match your child with an instructor based on ability.
