BOLINGBROOK PARK DISTRICT SUMMER PARKS CHALLENGE JUNE 5 - AUGUST 11

Prince Acorn is a friendly squirrel who loves our playgrounds. Parkie can't find him, but Prince Acorn left a trail for Parkie to follow. Join Parkie on his journey to find Prince Acorn!

Start

1. Visit
**Central Park
Playground**

(201 Recreation Drive)

Look for the Summer Park Challenge sign near the shelter and playground. Scan the QR code on the sign to find your next location.

TIP: Be sure to make note of the next park so you don't forget.

2. Enjoy
the Park

Explore what Prince Acorn loves about each park! Answer the trivia question that comes up when you scan the QR code. Then include your name, phone and email for an entry into the prize drawing.

How do you win?

Each park challenge you complete along the way gets you another entry in the prize drawing. (Be sure to submit your name, phone and email each time you scan the QR code and answer the trivia question.) Complete the entire challenge to receive maximum chances. If you do find Prince Acorn, you will receive an additional 10 entries!

3. Find
**Prince
Acorn
& WIN!**

The last stop on the challenge will take you to your very own Prince Acorn! You will also be entered for more chances to win prizes including a \$100 Bolingbrook Park District gift card, admissions to Pelican Harbor and more!

We make the fun happen!
